

REMARKS

Favorable reconsideration of this application is respectfully requested in view of the following remarks.

Supplemental to the Amendment timely filed on September 20, 2010, and after discussion with Examiner Colleen Dunn, the above listing of all claims as currently pending and indicated as allowed are being provided for the Examiner's convenience, and to facilitate printing of the correct claims in the granted patent.

In preparation of the same, Applicants respectfully note that claims 1-19 are pending, although the last Office Action only indicated that claims 1-16 were allowed. Applicants respectfully contend that claims 17-19 are also in condition for allowance.

In anticipation of allowance of all pending claims and in order to expedite prosecution of the present application, submitted herewith are Supplemental Declarations by each of the inventors named in this application.

Early and favorable action concerning this application is respectfully requested.

Should any questions arise in connection with this application or should the Examiner believe that a telephone conference with the undersigned would be helpful in resolving any remaining issues pertaining to this application the undersigned counsel for Applicants respectfully requests that she be contacted at the number indicated below.

Respectfully submitted,

BUCHANAN INGERSOLL & ROONEY PC
